## **Construction Bringing Fiber to Bowen**

Adams Fiber proudly announces that construction will begin on April 6th to bring ultra high-speed Internet access to the Bowen community enabling more robust Internet and telephone services.

Adams Fiber has packages starting at \$49.95 and encourages residents to Lock your Price in for Life to save \$120.00 per year by pre-registering. To sign up for this service visit [FollowTheFiber.net](http://FollowTheFiber.net) or call 217-214-3423. Ready for an Internet service that meets your family`s demands for streaming video and online gaming? Adams has an incredible \$99.95 Gigabit package, ready for your family`s Internet speed needs today and tomorrow.

Adams began their fiber-to-the-home initiative in 2007 and recently launched this fiber project in 2014 requiring commitment of neighborhood residents prior to the start of construction by Adams. Two Adams Fiberhoods are already in service in Quincy, with customers now enjoying excellent Internet service speeds from a local provider.

Adams has over 60 years of experience in the telecommunications industry, providing telephone and broadband Internet services in places where there was previously little or no coverage. The company is well known for business communication, Internet offerings and for investing in communities to further economic development.
