\$240 in credits on your Adams bill!**

Adams Fiber has invested in our local community by creating a new state-of-the-art fiber optic network. Since 2014, we have been rolling out Fiberhoods throughout Quincy and the surrounding communities. Many people have signed up for our service and have taken advantage of our lightning fast Internet speeds. We now offer Fiber TV as an alternative, too.

If you haven't signed up for Adams Fiber due to a current contract with another provider, we have a solution for you! We are now offering up to **\$240* of credits** on your bill based on your cancellation fee with your current provider.

Your neighborhood is already an Adams Fiberhood. The infrastructure has been built, and we can have service to your home typically within 10 business days.

To take part in this promotion, contact our sales team today at 217-214-3423. They will help you with the process and find the right services for you. Once you are installed with Adams Fiber and receive your receipt for the cancellation fee, turn it in to the Adams Fiber office to receive your bill credit of up to \$240*.
