*Terms and conditions apply. Internet speeds are "up to" speeds and not guaranteed. If connecting via Wi-Fi, device speeds vary depending on numerous factors. \$25 Pre-Registration fee is required to receive Locked in Price for Life and is credited towards first month's service. Monthly Price for Life applies to the Internet package and residential location selected at time of install; standard monthly pricing may apply to future plan changes i.e Standard \$59.95, Elite \$69.95, and Ultimate Gigabit \$99.95 per month. Installation includes up to a 2,000 foot fiber drop,

fiber optic service(s) installation, and modem/router installation. Drop lengths will be determined by Adams' engineering department. Additional drop footage will be billed at \$1.00 per foot. All drops over 2,000 feet will automatically result in a drop consultation to determine additional costs before drop is installed. One half of the additional footage cost must be paid prior to drop being installed, and the remaining balance will be billed on your first Adams bill. Equipment fee includes our router maintenance/support and one (1) service visit annually if needed. We reserve the right to cancel or change service plan offerings at anytime without notice.
