*Terms and conditions apply. Internet speeds are "up to" speeds and not guaranteed. If connecting via Wi-Fi, device speeds vary depending on numerous factors. Monthly Price for Life applies to the Internet package and residential location selected at time of install; standard monthly pricing may apply to future plan changes i.e Standard \$59.95, Elite \$69.95, and Ultimate Gigabit \$99.95 per month. Installation includes fiber optic service(s) installation, modem/router installation, and up to a 2,000 foot fiber drop to one residential location. All drop lengths are determined by Adams' engineering department. Drops over 2,000 feet may result in a drop consultation to determine additional costs before drop is installed. Additional drop footage may be billed at \$1.00 per foot. One half of the additional footage must be paid prior to drop being installed and the remaining balance will be billed to your first Adams bill. Equipment fee includes our router maintenance/support and one (1) service visit annually if needed. We reserve the right to cancel or change service plan offerings at anytime without notice. Phone service only available to customers with Adams Fiber Internet subscription. Certain taxes, fees, and restrictions may apply.
